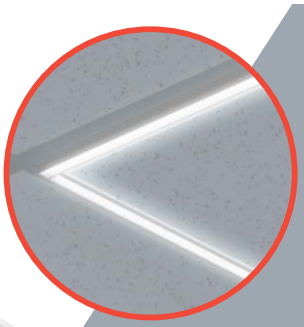
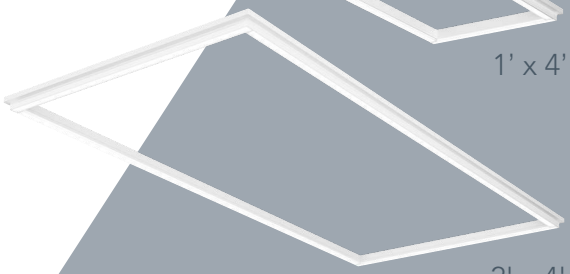
Lithonia® FRAME

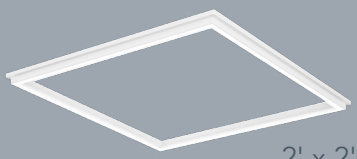
The Lithonia® FRAME by Lithonia Lighting® offers a modern, upscale aesthetic with functionality and performance to match. At the heart of the FRAME design is the 'snap' together assembly which provides unrivaled value in shipping, storage and installation costs. Featuring Switchable color temperature and adjustable lumen technology, the FRAME allows you to fine tune the look and feel of your space. The FRAME is designed with the latest optical technology to provide the same efficiency and output as a traditional LED flat Panel, for a fraction of the weight and cost.



1' x 4'



2' x 4'



2' x 2'

ISO Class 5-9 · IP RATED · DIMMABLE LED · DLC LISTED PREMIUM · 5 YEAR WARRANTY · 3 CCT SWITCHABLE

Space Savings Galore!

The FRAME is the most economically packaged commercial fixture available from Lithonia Lighting®. This fixture ships in a 5" wide box using just a fraction of the cardboard used on a traditional LED panel. This means we can fit 72 2x4 fixtures and 120 2x2 fixtures on a pallet, which is 4 times the amount of other backlit panels. The FRAME a massive space and cost saver from shipping to storage to installation.

EarthLIGHT

Assembly is a SNAP!

While the FRAME does require assembly, we have insured that it is truly as simply as 1, 2, 3! And the best part is that despite the small size, the FRAME does not sacrifice performance!

- Applicable for Standard 15"/16" and 9"/16" T Grid Ceilings
- Remote Mount Driver Housing/Junction Box with Snap on T-Grid brackets
- IC Rated PT4 Plenum Rated Cable between driver and fixture
