Quantum® Family

Next Level Performance

When it comes to life safety, adequate is not enough. We know that life depends on building occupants and first responders having light in emergency situations. The Quantum® Life Safety family from Lithonia Lighting® has improved aesthetics and delivers next level performance for a wide variety of commercial indoor applications. The optical performance of the Quantum family has raised the bar for path of egress coverage and spacing, allowing fewer products to do the same job, and lowering installation time and costs.

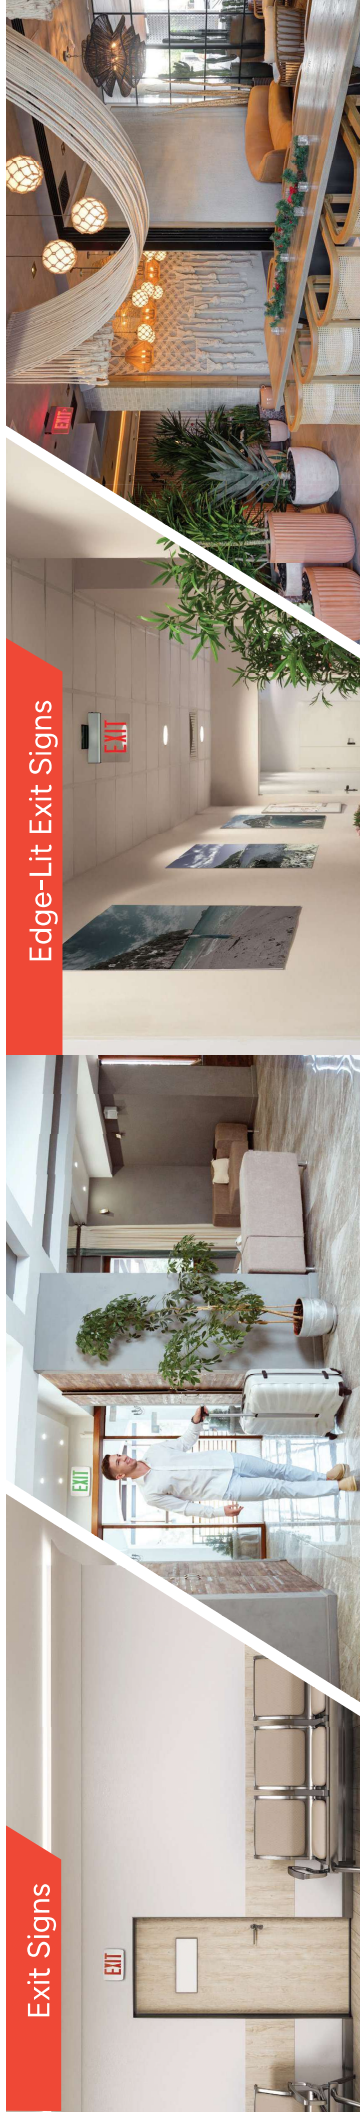

Typical Applications:

- Offices
- Schools
- Hospitality
- Health Care
- Multi-Family
